**Face2Face | Who Cares? The elderly among us...** A global pandemic is shining a light on our assumptions about the elderly among us. COVID-19 has exposed cracks in our systems of care, and shed light on our understandings of aging, revealing how we value older adults in our communities. How might we listen anew to the voice and resilience of older adults, and how could such listening reshape our imagination and understanding? Join us on Zoom for a panel conversation with a Personal Care Home Executive, along with a number of seniors, including an Indigenous Elder. Wednesday, February 24, 7:00 – 8:30 pm.
