

The Reopening Committee met last Wednesday afternoon to discuss some general guidelines for our NPMC community during the summer months. We think these protocols are both cautious and incremental, and we hope that it will make congregants feel comfortable as restrictions ease both inside and outside our church community. The following guidelines will take effect July 11, 2021:

1. Masks will be required for any indoor gatherings, with the exception of one-on-one visits, where masking will be preferred, but ultimately at the discretion of both parties who are meeting.
2. Congregational singing will be permitted at worship services.
3. Group sizes at indoor worship services and outdoor gatherings will mirror one another, with gathering limits remaining at 60 for July, and rising incrementally by 10 each week for the month of August.
4. Most of the physical barriers and restrictions in the sanctuary (including rope across the pews, arrows on the floor, and mandatory entrances/exits) will be removed. We will open up the education wing for use during and following worship services. We hope that these measures will provide people with more options for distancing.
5. Food will not be served nor organized inside the church. For outdoor gatherings, people are permitted to bring their own food for consumption or food can be served to individuals.

If you have any questions or concerns, please do not hesitate to contact me.

 Chairperson, NPMC Board of Deacons

### **MCC Announcement:**

MCC Saskatchewan grieves, again, at the news from Cowessess First Nation, with the identification of 751 unmarked graves. We grieve with the families and communities affected by the losses. We grieve for the larger legacy of Indian Residential Schools, and we acknowledge our complicity in the work of IRSs. We grieve for the on-going harms and injustices against Indigenous people in this province and nation. We offer our prayers, and we reaffirm our commitment to work towards being respectful Treaty partners, allies, and neighbours in this difficult moment, and in the future as similar tragic stories unfold across this province and beyond.
