Portable CMU 2020-2021. The Portable CMU program, offered by CMU faculty, is a resource that can enliven the church's imagination, faith, and witness. This year 38 unique Portable opportunities are available, including four newly created Portables, all of which are available via Zoom and thus easily accessible across the country. Each Portable is structured flexibly in conversation with the faculty teacher, to meet the needs and interests of individual congregations. We encourage congregations to avail themselves of this unique opportunity. View course information and costs at cmu.ca/portable

For more information go to cmu.ca/face2face
