### Acts 18:24-27

24 Now there came to Ephesus a Jew named Apollos, a native of Alexandria. He was an eloquent man, well-versed in the scriptures. <sup>25</sup>He had been instructed in the Way of the Lord; and he spoke with burning enthusiasm and taught accurately the things concerning Jesus, though he knew only the baptism of John. <sup>26</sup>He began to speak boldly in the

synagogue; but when Priscilla and Aquila heard him, they took him aside and explained the Way of God to him more accurately. <sup>27</sup>And when he wished to cross over to Achaia, the believers encouraged him and wrote to the disciples to welcome him. On his arrival he greatly helped those who through grace had become believers.

**A message from Shekinah Retreat Centre:** As we kick-off our summer we would like to extend a huge thank you to everyone that has helped and supported us. We began the year with a great deal of financial stress. God has answered our prayers in so many ways and we are extremely excited about our upcoming camping season. We still have a long road ahead but as of right now we are seeing a surge of campers as we have already surpassed 2015's total registrations by a good margin. Please continue to pray for us over the summer! Your prayers and continued support are so incredibly precious to us. Thank you and may God bless you all!
