**Mennonite Church Saskatchewan: Praying for one another: First Mennonite Church** (Saskatoon) is excited about two new community engagement projects. First, FMC is hosting a free Forever...In Motion class on Tuesday and Thursday mornings. Forever...In Motion is an exercise program for older adults interested in maintaining their physical health. Second, FMC is planning to partner with MCC and the local community on a refugee sponsorship and resettlement project. While much of the funding is in place, FMC, as an aging congregation, needs help from the local community. We have scheduled a community meeting on 11 June so that interested people can sign up to help resettle the refugee family when they come. Only after we have community support can we sign up with MCC to begin the process of bringing a refugee family to Saskatoon. We ask that you join us in praying for God to inspire people in the local community to participate in this refugee and resettlement project, and for God to transform FMC members and the relationships that are established with these two projects.
