Spotlight on Mennonite Disaster Service

Mennonite Disaster Service is a volunteer network of Anabaptist churches that responds in Christian love to those affected by disasters in Canada and the United States. While the main focus is on clean up, repair and rebuilding homes, this service touches lives and nurtures hope, faith and wholeness.

Nutana Park Mennonite Church welcomes into fellowship and membership all persons who confess faith in Jesus Christ, without regard to their race, ethnic background, gender, age, sexual orientation, income, education, ability, and other factors that give rise to discrimination and marginalization.
