Friends for Dinner is an initiative taken by local churches and Christians ministries to connect local families with international students in order to show them Canadian hospitality and build friendships. Over 300,000 international students come to Canada each year and very few have the opportunity to enter a Canadian home. If you would like to participate in Friends for Dinner by hosting a small group of International Students at your home for a meal, visit friendsfordinner.ca! Questions? Not sure how to sign up online? Connect with **Kathleen Regier** and she can guide you through the process.
