## Announcements

NPMC is happy to be able to offer in-person worship services. We continue to expect that those in attendance who are 12 years of age and older be fully vaccinated and we continue to expect people will be masked while inside the church. Despite changes to Saskatchewan's public health orders, we will continue with these two expectations until April 4, 2022, at which time our NPMC Board of Deacons will revisit our recommendations at their meeting. Congregants will still be able to access worship services online. Thank you to all of our staff and volunteers for making worship services possible each week.

#### Newcomer Update:

Nutana Park has a long history of supporting refugees in coming to Canada. The pandemic has slowed some of this work but we now have an opportunity to assist a family with a very urgent need.

In May 2020 Nutana Park agreed to sponsor a family from East Africa. At the time, MCC identified this family as the most pressing case they had for sponsorship. The family consists of Speciose Nyamhirwe (28 years old) her two children Nganji (10 year old son) and Nolan (8 year old son), her brother Yvens (19) and her cousin Welcome (18). This week the family had an interview with the Canadian Consulate in Uganda. If they are successful in their application they could potentially come to Saskatoon in the next few months.

A committee is forming to support Speciose and family. Currently the committee consists of Gord and Lynne Driedger-Enns, Janet and Norm Barnes, Lori Weiler-Thiessen and Gordon Peters. This sponsorship needs your help in four main areas:

1. **Committee members.** We need more people to work with us particularly to support healthcare needs, gathering of household goods, language learning and getting necessary documentation in place. This family has been living a particularly precarious existence for the last 10 to 15 years, including witnessing the killing of family members due to civil war. Trauma counselling and mental health will be an important area as well.
2. **Household goods.** If you have household items including beds and lightly used furnishings please contact us before making the trip to Village Green.
3. **Storage space.** We also need access to a garage space for the next while (up to three months) to store goods prior to the family's arrival.
4. **Financial support.** Please consider designated giving to the Refugee Assistance Program. Nutana will support Speciose and family for one year from when they arrive in Saskatoon. We currently have approximately \$21,000 designated for this work and require approximately \$60,000 to support the family's resettlement needs for one year.

For more information please contact **Gord Enns - Refugee Assistance Program at 306 221-9942 or [gordonpaulenns@gmail.com](mailto:gordonpaulenns@gmail.com)**
